Jessica:

The PM is Lindsay and I am the reviewer. I will check out calendars to see when we can schedule a call. Can you please give us a brief heads up as to what the main issue/question is so we can be prepared?

Thank you,
Heather

Subject: Taminco US LLC - Amendment to Import Tolerance of Chlormequat Chloride in or on Oat Grains

Hello,

I would like to talk to the PM responsible for the action described above. This was submitted in April 2019 under PRIA R292. I thought I would start with you both. Can you tell me who will be reviewing this petition? Can we schedule 15 minutes to have a quick chat over the phone?

Thank you,
Jessica
